

# One? ...or Both?

Can *you*, or *someone you know*, benefit from the upcoming Organizational Fund Development Symposiums offered at Missionary TECH Team?

## *\* Raising Money for Ministry - September 29-30, 2015*

### **Presentations include:**

- ▶ Pressing On to New Vistas of Ministry
- ▶ The Extra-Ordinary Value
- ▶ The Road to Success
- ▶ Unlock the Locks and Let's Go Fishing

Both Symposiums are a combination of fund development training, seminars, workshops, and guided collaborative discussions. An overview of the Symposiums is available by request. If you would like a copy, send your request to [Symposiums@techteam.org](mailto:Symposiums@techteam.org) at the very earliest opportunity.

Those attending the Symposiums will learn God-honoring fund development principles and new ways that can be used to raise more financial resources for their ministries. The Symposiums' presenters are seasoned leaders who collectively have over 130+ years of successful experience in fund development for Christian ministries and churches.

Attendance is by invitation. Attendees contribute \$100 to help meet expenses in offering this valuable training. Two complementary noon meals and one evening dinner are provided. Sleep Inn, a new Quality Inn facility, is offering a deeply discounted rate of \$69/night for Attendees – double or single occupancy.

TECH's meeting space is limited to a maximum of 40 participants. It is likely that reservations will quickly reach capacity. Submit your Request for Reservation at [Symposiums@techteam.org](mailto:Symposiums@techteam.org) at the earliest opportunity.
