

10.78 x 31.125

Allow about 6 inches in your design at the top of middle 4 panels for the header overlap
Carry your design to the top but don't put imortant elements here

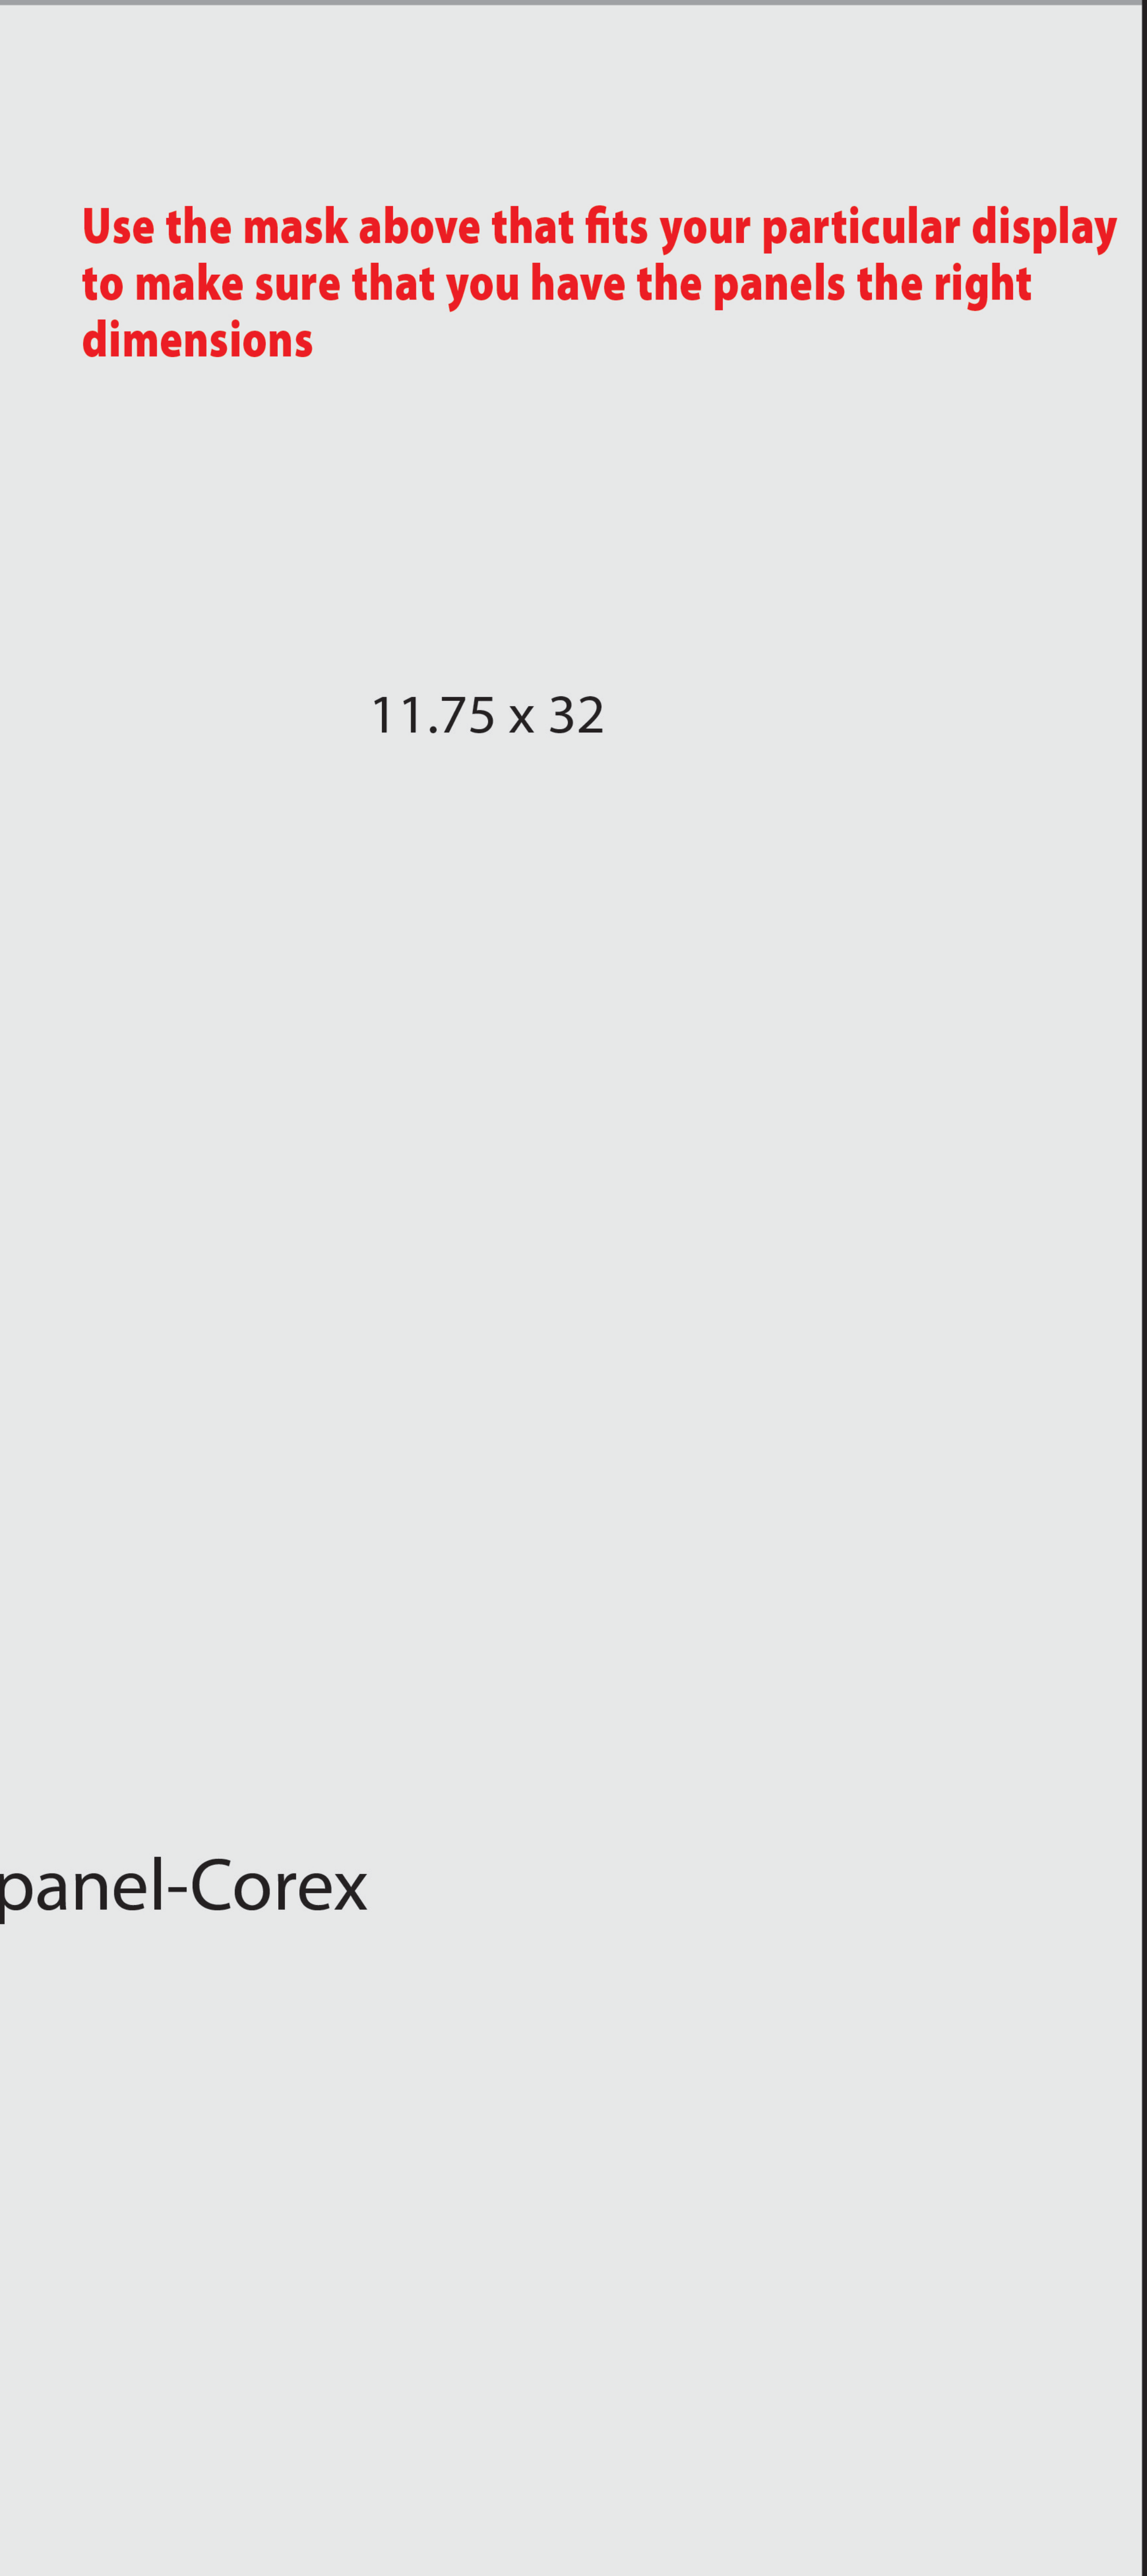

11.75 x 32

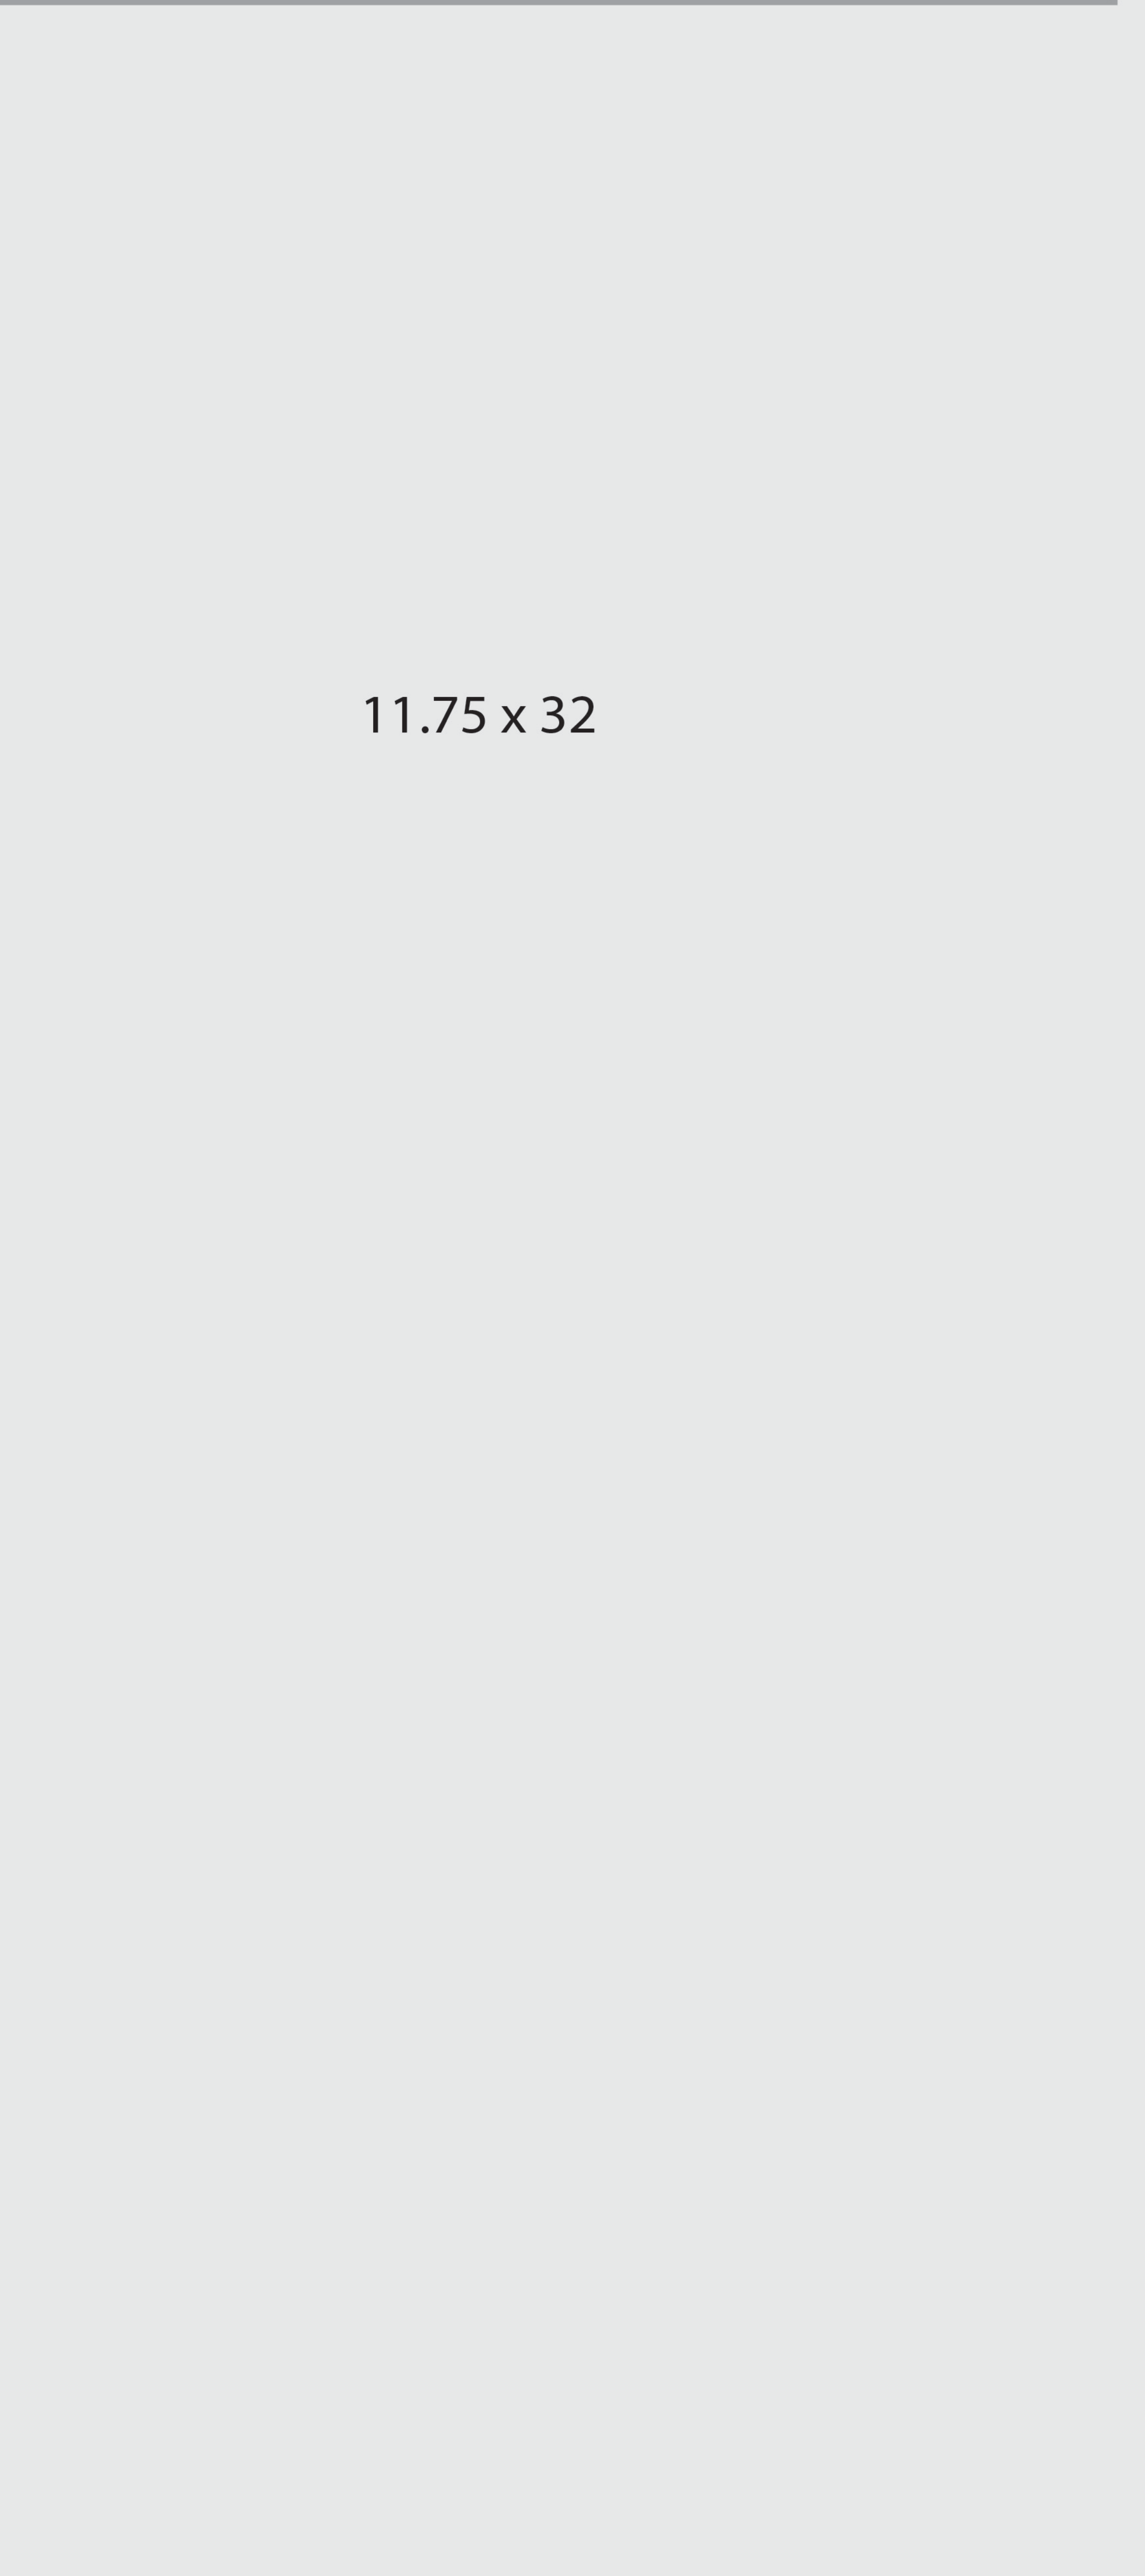

Make the center panel all one design but be aware that it will be cut in half down the middle for folding. Try to make it so letters are not cut down the middle.

11.75 x 32

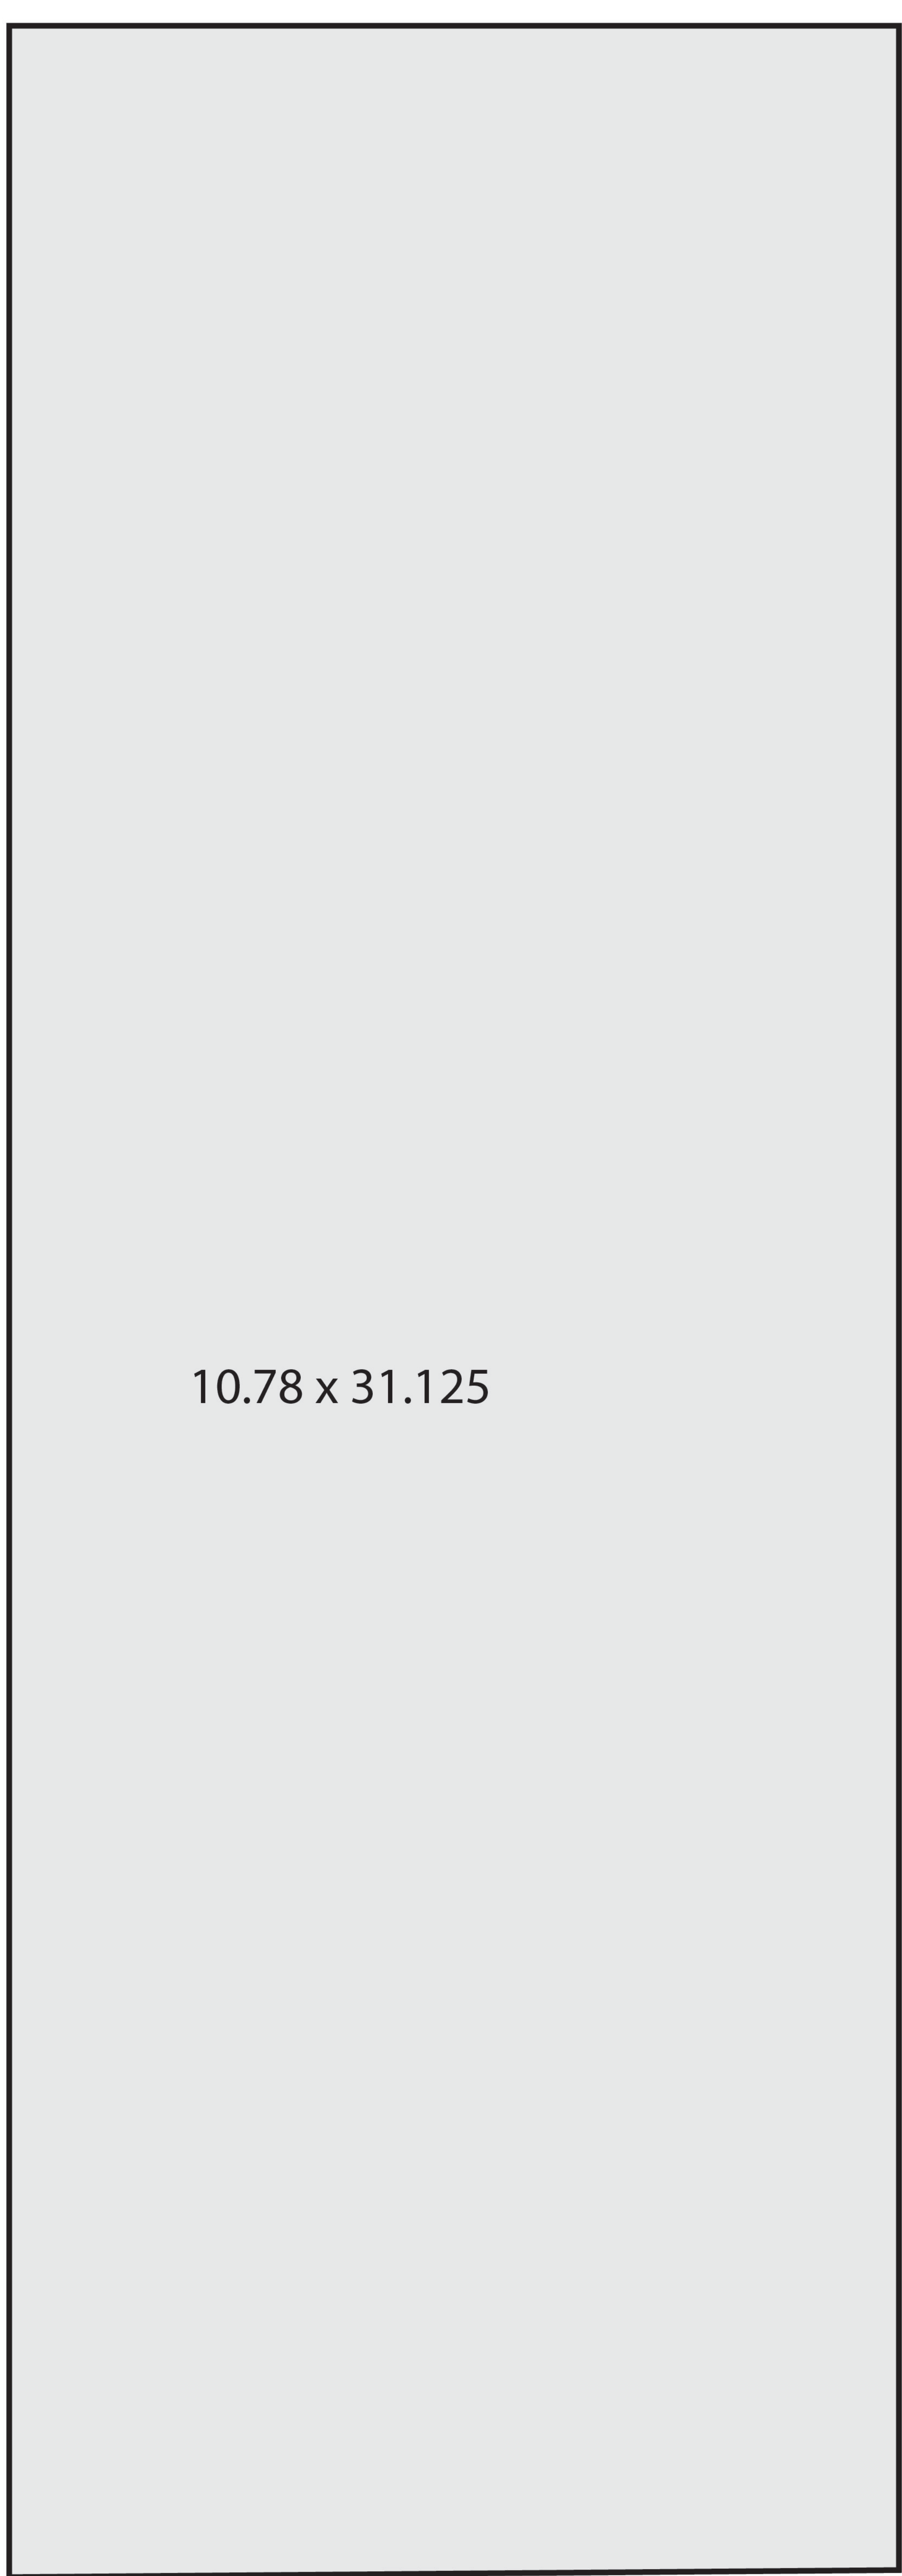

Use the mask above that fits your particular display to make sure that you have the panels the right dimensions

11.75 x 32

11.75 x 32

10.78 x 31.125

Please duplicate your fon't layer. Turn the life fonts off and turn the visible fonts to outlines.

Please keep design within the panels as indicated by the black outlines.
